Headline:
Some sunshine today, then somewhat cloudier and milder tomorrow.

Today:
A dry and much brighter day than recently, with the best of the sunshine through the morning. A bit cloudier by the afternoon, with the sunshine turning hazier. A little more breeze than recent days. Maximum temperature 13 deg C (55 deg F).

Tonight:
Some clear spells at first and turning chilly in places. Becoming cloudier as the night progresses, but it should remain dry, with light winds. Minimum temperature 5 deg C (41 deg F).

Thursday:
Cloudier than on Wednesday, but still the possibility of some bright or sunny spells, especially east of Dartmoor and Exmoor and towards Dorset. Very mild for the time of year. Maximum temperature 15 deg C (59 deg F).

Outlook for Friday to Sunday:
Mild and mostly dry, albeit generally cloudy on Friday and Saturday. After a brief splash of rain early on Sunday, skies will brighten but it will turn colder.
